## Honors Course Proposals Deadline

The Fort Hays State University Honors College is now accepting Honors Course Proposals for the Fall 2019 Academic Semester.

The Honors College is looking for exceptional faculty to teach courses to outstanding students on campus. Participating in one of the university's Programs of Distinction is a chance to expand learning opportunities for students, as well as experiment with new strategies in and out of the classroom.

While FHSU strives for academic excellence in all classes, at the heart of a successful honors program is the unique interaction between teacher and student made possible by the opportunities in an honors course. Intellectual challenge is supported by pedagogy that stimulates students to think about topics in new ways, explore subject matter in greater depth or breadth, and gain first-hand exposure to issues through experiential learning. Quality is valued over quantity through rigorous and deeper course work that provides opportunities not available in tradition courses. Interactivity is not only gratifying in an honors course, but central to its success whether a debate, discussion, or connection outside the classroom.

The deadline for all Honors course proposals is **October 5<sup>th</sup>, 2018**. The application form, as well as more information about the process and examples, can be found at <https://www.fhsu.edu/honors/Resources-and-Forms/>. All applications can be emailed to Jensen Scheele, Honors College Administrative Specialist, at [jnscheele@fhsu.edu](mailto:jnscheele@fhsu.edu).

If you have any questions about Honors Courses, please feel free to contact Dr. Carol Patrick at [clpatrick@fhsu.edu](mailto:clpatrick@fhsu.edu) or 785-628-4406.
